

2009年4月1日 OV產品的威力 “Power of OV Products”

很高興為大家宣佈 OV 有一位新的健康顧問團成員。特洛伊先生是位濕疹研究專家及專業爬山人士，非常榮幸他在 09 年 3 月的加入。特洛伊先生會替我們講解一下 OV 產品的威力，2009 年 4 月 1 日，我們亦會為出席者提供一個只限當晚的優惠，萬勿錯過機會。

- ✓ 知道為什麼“有機成份”對我們的健康這麼重要嗎？
- ✓ 知道怎樣分別”活生生”的保健品和”死去”的保健品嗎？

We are very happy to announce that Mr. Troy Aupperle, an Enzyme Research Specialist and Professional Mountaineer, has joined as a member of our Health Advisory Board.

Do you want to know why choosing organic ingredient is so important to our health? Do you know the difference between supplements that are “ALIVE” and useless supplements that are “DEAD”? Mr. Troy Aupperle will teach us about the power of OV products.

For all attendees that night only, we will have a special offer so mark this date on your agenda - **1st April 2009.**
