NEW Audio Download: NDO (New Distributor Orientation)

Dear Distributors,

After getting numerous requests from you all, we are happy to respond to your needs and announce that the existing <u>NDO - New Distributor Orientation</u> (Cantonese version) audio file will be available to our e-commerce users to download starting from 28th February 2012.

This training tool is especially made for New Distributors in order to direct them on the right attitude and determination in developing their OV direct sales business.

Distributors can login the e-Back office, and below the Multimedia drop box, select the Download Audio – PEP to find this audio file. Familiarize yourself with the amazing content and make good use of this effective tool as it can undoubtedly help you grow your OV business team in a quicker and more powerful way!

We wish you success in growing your OV business.

Thank you.

Organic Vision Ltd 1st March, 2012 N120301
