Organic Skin Care

Did you know?

The average woman ¹ applies more than 500 chemicals to her skin per day?

According to the Organic Consumer's Association ², women absorb a total of 5 lbs of chemicals per year if they wear makeup every day?

The US Centre for Disease ³ Control found that Oxybenzone, a common sunscreen and anti-aging moisturizer ingredient, is linked to allergies, hormone disruption and cell damage?

Synthetic fragrances in skincare can include up to 4000 separate ingredients, many containing neurotoxins, damaging the central nervous system ⁴ ?

With so many chemical and carcinogenic ingredients saturating many popular products within the skincare industry, how do we take care of our skin without endangering our health?

Organic Vision's 100% organic aromatic line of skincare is committed to using the finest organic ingredients to help you and your family enjoy these **5** benefits!

1 *Cleanse, tone & moisturize without artificial colours, fragrances or filler*

2 *Balance the pH levels and oil secretion of your face*

3 *Preserve your skin's natural acid mantle*

4 *Increase your cell renewal rate*

5 *Protect against damage from free radicals and collagen breakdown*

Organic Face Wash™

Our ultra-hydrating organic face wash is infused with the tantalizing aroma of **Organic Cacao chocolate**, making your daily cleansing ritual a delicious, enjoyable one. **The Journal of Cosmetic Dermatology**⁵ also reveals that cacao offers significant protection against harmful UV effects from the sun, which can cause premature aging. Instilled with extracts of **Organic White Willow** and **Aloe Vera**, natural sources of salicylic acid, this cleanser both unclogs your pores and increases the rate of renewal of your facial cells.

Organic Toner™

Our ultra-soothing face toner instantly refreshes and awakens you first thing in the morning. Infused with **Organic Aloe Vera Gel** and cooling **Cucumber Extract**, it gently calms the skin down by reducing inflammation as well as tightens pores. Infused with **Organic Witch Hazel Extract**, it revitalizes and tones your skin naturally. According to **the Journal of Inflammation**⁶, witch hazel is a natural antioxidant, known to block the effects of aging.

Organic Moisturizer™

A wonderfully sweet **Organic Vanilla** scented face lotion, our **organic moisturizer** fully hydrates your skin cells, helping your skin stay soft, smooth and supple. As **the Journal of Clinical and Aesthetic Dermatology**⁷ brings out, **Organic Green Tea Extract**, a key ingredient, contains high anti-oxidant properties to help protect the skin against the damage of free radicals and the breakdown of collagen.

Why should you use Organic Vision's skincare line?

Because we do not use these following harmful ingredients:

- **Preservatives** : Diazolidinyl Urea, DMDM Hydantoin, Imidazolidinyl Urea, Quaternium 15 , Parabens
- **Wetting agent** : DEAs, MEAs, or TEAs
- **Foaming agent** : SLS
- **Mineral Oils and Petroleum derivatives** such as phthalates, propylene glycol and PEGS

This skincare line is suitable for men, women and children.

Whether you have dry, oily, combination or sensitive skin, our skincare line is gentle and natural enough to use whatever your condition may be. It will help balance out and correct any skin problems you may have.

Directions for Use:

Organic Face Wash™ : Use both mornings and evenings. Apply a small amount and gently massage over face. Rinse off with warm water. May wash face twice to remove heavy makeup. Despite being gentle enough to use for all skin types, this cleanser is strong enough to also remove all traces of makeup, so you don't have to use a makeup remover beforehand.

Organic Toner™ : The best thing about this toner? All you have to do is spritz it all over your face and voila! Instant freshness. No cotton swabs required. Easy to use and easy to pack, you can bring this everywhere with you in your handbag for a little pick me up during the day.

Moisturizer™ : Use mornings and evenings after having washed and toned face. Apply a suitable amount and gently massage over face and throat. Suitable for both summer and winter seasons.
