Organic Youthful Serums Pack™

Organic Youthful Whitening Facial Serum™

Organic Youthful Whitening Eye Serum™

Imagine being praised for...

Seeming 10 years younger than your age?

Possessing radiant and luminous skin?

Being young enough to pass as your daughter's best friend?

Having reversed the aging clock, looking better every year?

6 elements to youth-you can have it all!

1

Skin

Restore bounce, elasticity and glow

6

Forehead

Reduce expression and laughter lines

2

Upper Eyes

Get rid of crow's feet and uplift eyelids

5

Face

Minimize hyper pigmentation and brighten skin

3

Lower Eyes

Relieve puffiness and under eye bags

4

Neck

Tightens and tones, prevents sagging

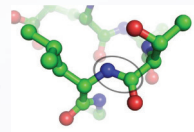

***Does this sound too good to be true?
Is the fountain of youth really within our grasp?***

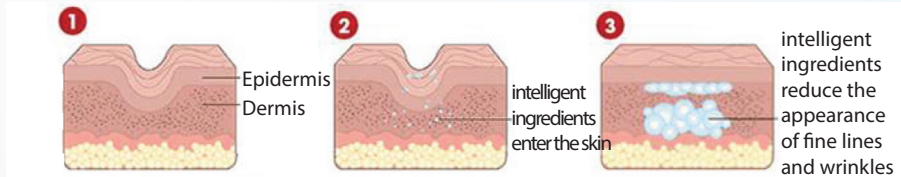

Yes! The answer lies in the combination of what nature and science has offered us.

Introducing...The 「**Organic Whitening Youthful Facial Serum™**」
and the 「**Organic Whitening Youthful Eye Serum™**」
- guaranteed scientifically validated beauty enhancing effects.

So how does it work?

In 2002, **The American Academy of Dermatology** discovered that peptides act as messengers by sending signals to your dermis cells to trigger the production of collagen and elastin. When applied topically, peptides could, in effect, “trick” the skin into believing that it has lost its current supply of collagen and thus manufacture more.

Organic Vision™ has carefully chosen and combined a specialized concentrated blend of 100% organic botanicals, active peptides, enzymes, powerful antioxidants and vitamins to give you the 2 following potent serums.

Organic Youthful Whitening Facial Serum™

Contains **10** variety of peptides², including-

- Tripeptide-1**
promotes fibroblast collagen production
- Acetyl Hexapeptide-8**
reduces existing facial wrinkles, results similar to Botox
- Pentapeptide-18**
reduces wrinkle depth and volume in the neck
- Acetyl Octapeptide-3**
reduces wrinkle depth and volume in the face
- Palmitoyl Tripeptide-5**
repairs damage to torn tissues, enhances the production of collagen
- Aqua-Dextran-Nonapeptide-1**
delays the production of melanin

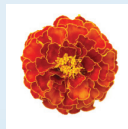

Organic Youthful Whitening Eye Serum™

Contains **9** different peptides^{3,4}, including-

- Palmitoyl Tetrapeptide-3**
relieves puffiness and under eye bags
- Palmitoyl Pentapeptide-3**
stimulates synthesis of collagen and elastin
- Soybean and Rice Protein Peptide**
brightens and tightens skin
- L-Carnosine**
activates certain genes to repair and renew skin, produces a face lift effect

We have also incorporated ingredients from nature including:

Extracts of **Rose Hip Oil**, with rich sources of Vitamin C-a natural skin brightener, and Vitamin A-which contains retinoic acid, specializing in the increase of cell production in the epidermis. **Active Aloe**, a rich source of polysaccharides, an equivalent of a swallow's nest derived from the plant kingdom, which acts an anti-inflammatory agent. Splashes of our special 100% certified organic floral and herbal blend of aloe vera, **white willow**, **chamomile**, **lavender**, **vanilla**, **marigold** and **rosemary** have also been added to give this serum an aromatic boost.

Directions for use

This multi-faceted serum is suitable for all skin types, for both women and men.

Organic Youthful Whitening Facial Serum™

1. Wash your face with warm water to open up pores and prep skin with a toner
 2. Gently apply small dots of serum onto your forehead, cheeks and neck (serum may also be applied onto the décolletage)
 3. Use short, light strokes to massage the serum into your skin. Do not pull, stretch or rub.
 4. Follow up with your regular moisturizing, sun care and makeup routine in the morning.
- *At night, you may use the serum on its own. No additional night creams are needed to achieve the results.

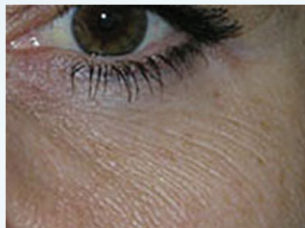

Organic Youthful Whitening Eye Serum™

1. Wash your face with warm water to open up pores and prep skin with a toner
 2. Gently apply small dots of serum to the corners of and under your eyes
 3. Massage serum in circular motions
 4. Follow up with your regular moisturizing, sun care and makeup routine in the morning.
- *At night, you may use the serum on its own. No additional night creams are needed to achieve the results.

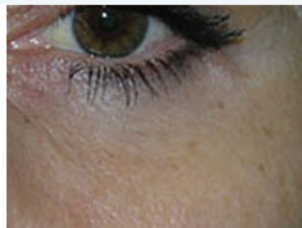

Expected Results

Short Term Results: After 14 days, your skin will feel firmer, smoother and appear uplifted.

Long Term Results: After continued use, wrinkles will smoothen, skin will feel more elastic, skin tone will even out, and skin texture will feel velvety soft. You will start to glow look radiant.

Before

After

Remember, after the age of 25, we all start to lose 1.5% of our levels collagen every year. Reverse the aging process and maintain your youth with this secret weapon today!
